

PraxisIFM Racing League 2017

The PraxisIFM MTB Racing League is open to children between the ages of 6 and 14. By completing the application form your child will be enrolled for the MTB Racing League.

Information for Parents

The Guernsey Velo Club has an Under 14 **Mountain Bike Racing League** (sponsored by PraxisIFM) for children aged between 6 and 14 (school years 1 to 9). The GVC has a purposely laid tarmac track at Delancey for cycle racing and have the full support of Culture and Leisure to use the majority of Delancey Park for the Wednesday evening racing league. The race programme will include all forms of cycle racing including time trials, hill climbs, cross country racing and various forms of circuit racing; in all cases the courses will be designed to cater for all abilities in every case your child's safety will be uppermost.

This is a fantastic opportunity for your child to get involved in one of the finest and most exciting sports in Guernsey; we are looking for future champions and anybody wishing to improve their fitness and cycling skills. There will be prizes to be won for those competing throughout the PraxisIFM MTB race series. We look forward to seeing both you and your child at Delancey Park.

Cost:

PraxisIFM MTB Racing League – GVC family members FREE / Non-GVC members £30.00

Cheques should be made payable to the 'Guernsey Velo Club'

Please complete the application form and return with payment to:

For more information about the MTB Racing League please contact:

Chris Le Page: Tel (m) 07781 126569 or by email; chris.le.page@cwgsy.net

Full details of Guernsey Velo Club events can be found on the Club website: www.gvc.gg

There is also a Junior GVC Facebook page that is updated regularly with information: Guernsey Velo Club - Juniors

The PraxisIFM Flyers MTB Racing League starts on Wed 3rd May at 6:30pm, riders to sign on no later than 6:15pm. The League runs until 16 August.

Every participant must wear a cycle helmet.

Bikes must also be in good working order and handlebar ends must be covered to avoid injury. It is recommended that tyres not be pumped up too hard to allow some squish, aiding grip and a little bump compliance.
